## PATIENT CRITERIA FOR THIS OPERATION

If your patient has a private health fund and qualifies for an MBS item number, the costs of the operation may be substantially reduced. But all of the following must apply:

- Not purely for cosmetic reasons
- Lost at least five BMI units
- Stable weight at least 6 months
- Pregnancy weight not measured
- Rashes or skin conditions present
- Condition impacts daily life

See reverse of this page for a full explanation of these criteria.
